

C₁₀H₂₀CaN₂O₈S₂ ≥ 98% API Acamprosate Calcium White Powder Customized

Our Product Introduction

for more products please visit us on peptide-powder.com

Basic Information

- Place of Origin: China
- Brand Name: Hongbaiyi
- Certification: COA, HPLC
- Model Number: HBY-Acamprosate Calcium
- Minimum Order Quantity: 1 kg
- Price: Negotiable
- Packaging Details: 25kg/bag or follow customer's packing instructions
- Delivery Time: 3~5 days, upon receipt of payment
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 300,000 Kilograms

Acamprosate Calcium

Product Specification

- Product Name: Acamprosate Calcium
- CAS Number: 77337-73-6
- Molecular Weight: 181.21
- Formula: C₁₀H₂₀CaN₂O₈S₂
- Appearance: White Powder
- Melting Point: > 300°C
- Solubility: Highly Soluble In Water (> 5 Mg/mL)
- Storage: Room Temperature
- Purity: ≥ 98%
- Packaging: Customizable Based On Customer Needs
- Highlight: **Customized Acamprosate Calcium, White powder Acamprosate Calcium, 98% Acamprosate Calcium**

Product Description

Hongbaiyi Biotech: High-Quality Plant Extracts & APIs

Hongbaiyi Biotech offers a comprehensive line of standardized, high-purity plant extracts and APIs, that are sourced directly from our Xi'an, China facilities.

Our meticulous quality control processes ensure consistent activity and purity throughout every batch. We specialize in customizing extracts to your specific needs, and our team is committed to providing exceptional after-sales support.

Choose Hongbaiyi Biotech for reliable, potent plant extracts and APIs to elevate your next nutraceutical, cosmetic, or pharmaceutical formulation.

Basic Information

Property	Value
PRODUCT NAME	ACAMPROSATE CALCIUM
CAS NO.	77337-73-6
EINECS	278-665-3
MOLECULAR WEIGHT	181.21014
FORMULA	C10H20CAN2O8S2
MELTING POINT	>300°C
STORAGE TEMPERATURE	ROOM TEMP
SOLUBILITY	H2O: >5MG/ML
APPEARANCE	WHITE POWDER
PURITY	≥98%
PACKAGING	ACCORDING TO CUSTOMER REQUESTS
COUNTRY OF ORIGIN	CHINA
